Conyo ka rin, bro?

OH OH HE HEYYYYY bro in Areneyow, you would totally find your crowd, you feel me? Dap me right here bro. I didn't have any worries in meeting new friends as we kinda hit it off nung OhrShem. Tapos if things go off to a rocky start, you can join orgs that match your interests and y'all would totally vibe! Me and my friends whenever we are bored, we just sakay in my car and find a kainan outside. Oh one time, my friend's driver picked us up pa at Yupitishee because it was so hot! Like as in bro, grabe, I don't get it nga why we don't have aircon in every building sa Areneyow. I thought people said it's so expensive na here! HAHAAHA.

Pero yeah parang like Areneyow is your home na rin, I saw nga sa internet that people keep making fun of us like in how we speak and how we live our lives but we can't help it if that's how we are raised eh. Also that's another plus of Areneyow, it sort of feels safe here as a lot of us understand each other and how we live. It's like a—what do you call it? An echo... ECHO CHAMBER! Yes, like an echo chamber. But if that's the case, edi that means na our whole life is an echo chamber? Hala, omg, bro wait, I think I'm going to crash out.

Anong artenista kayo?

Kwento't kanal

Alam mo, noong dumating ako sa Areneyow kabadong-kabado ako. Hindi ko kasi alam kung may makakasundo ako rito, kung may makaka-gets ba ng mga joke ko o kung magmumukha lang ako tanga sa harap ng mga *dude, pare, o bro*. Nag-post pa nga ako sa ARTEMU Freedom Wall ng tanong kapag may mga tao ba rito na may kanal humor. Marami rin naman nagbigay ng mga lugar kung saan ko mahahagilap ang mga gago tulad ko at boom sakses! Parang bigla kang sumakses eh. Pero ayun may mga naging kaibigan naman ako na mga conyo at mababait naman din sila.

Ang hirap nga lang makisali sa trip nila kasi ang gagastos nila! As in beh, mag-aaya sila kumain tas potek P300+ ang mga pagkain! F na F nila ang fine dining restaurants baka masita pa ako ni Mommy Oni pag nandoon ako. Alam mo yun, parang nasasampal lang ako ng kahirapan pag kasama sila. Minsan nga napapaisip nalang ako na paano naging sobrang magkaiba ang buhay namin eh pareho lang naman kami ng edad at pareho pa nga ng kurso minsan. HALA naging philosophical bigla! Sure sure sure I close my eyes at bilang flat 1 sa philosophy of man, siya po ay si Jose Protacio Rizal, charot! At tsaka ayun din kapag magjojoke sila, hindi ko sila magets. Pero ayun nga baka din kasi sobrang iba yung nararanasan at nakasanayan namin.
